

>> Alloy Wheel Insurance by smart

Protect yourself from damage to your alloy wheels.

Alloy Wheel Insurance by smart helps ensure your smart is kept in a showroom condition. The policy enables you to claim for accidental and malicious damage to your alloy wheels.

How it works

Should your alloy wheels suffer accidental or malicious damage simply register your claim by phone and complete a claims form. Painted wheels will either be repaired on a mobile basis or replaced dependent on the extent of damage. Diamond cut wheels will be replaced only.

Why choose Alloy Wheel Insurance by smart?

- You can choose the term of your policy from 24, 36 and 48 months to complement the length of time that you plan to own your smart
- You are covered for 10 repairs or 4 replacement alloy wheels, up to your aggregate claims limit as detailed in your policy schedule, throughout the policy duration
- If the damage cannot be repaired to the smart standard, the alloy wheel will be replaced with a brand new smart alloy wheel
- When making a claim, your motor insurance no claims bonus will not be affected
- No excess applies for repaired alloy wheel. A £45 excess applies for the replacement of your alloy wheel
- The insurer will replace diamond cut alloy wheels and repair painted alloy wheels to smart specifications, your wheel will be repaired on a mobile basis subject to the information provided by you to us at the time of your claim.

Please note: A smart Business Manager will be pleased to assess your needs for smart Alloy Wheel Insurance and they will only offer you the product if they believe you are suitable and eligible.
